DOMINION ORDERS IN COUNCIL.

P.C. No. 2182.

AT THE GOVERNMENT HOUSE AT OTTAWA
Saturday, the 21st day of October, 1922.

PRESENT:

THE DEPUTY OF HIS EXCELLENCY THE
GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by section 42 of the regulations governing the granting of yearly licences and permits to cut timber on Dominion lands in the Prairie Provinces and in the Railway Belt and the Peace River tract, in the Province of British Columbia, it is provided that the dues on railway ties, 8 feet long, cut under permit, shall be 15 cents each, and an additional 2 cents per lineal foot on ties over 8 feet long:

And whereas the Minister of the Interior states that he is of the opinion that this rate is too high:

Therefore the Deputy of His Excellency the Governor-General in Council is pleased to order that section 42 of the aforesaid regulations shall be, and the same is hereby amended, so as to provide that the dues on ties 8 feet long shall be 10 cents each, and that the charge for each additional lineal foot over 8 feet be reduced to 1½ cents.

P.C. No. 2068.

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 9TH OCTOBER, 1922.

THE COMMITTEE of the Privy Council have had before them a report dated 28th September, 1922, from the Minister of the Interior, submitting that by Order in Council dated 19th November, 1903, the Fractional North-west Quarter

of Section 9, Township 21, Range 10, west of the 6th meridian, except for a small portion which was sold to the Canadian Pacific Railway in connection with a pipe-line for Tappen Siding, was vested in the Department of Marine and Fisheries for the purposes of the Granite Creek Fish Hatchery.

The southerly three acres of the above-described land was relinquished by the Department of Marine and Fisheries, and by Order in Council dated 24th January, 1910, P.C. No. 74, the necessary authority was obtained for a free grant to the Tappen Siding School Board.

Application has been made to the Department of the Interior for the land set aside for the Granite Creek Fish Hatchery as described above. The Department of Marine and Fisheries, under date of the 5th September, 1922, states that the Granite Creek property is not likely to be required for fish-cultural purposes and therefore reverts to the Department of the Interior.

The Minister therefore recommends that the Order in Council dated 19th November, 1903, be rescinded, and that the Fractional North-west Quarter of Section 9, Township 21, Range 10, west of the 6th meridian, with the exception of the small portion sold to the Canadian Pacific Railway Company and the southerly three acres which have been granted to the Tappen Siding School Board, be revested in the Department of the Interior.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) RODOLPHE BOUDREAU,

Clerk of the Privy Council.

To the Honourable

The Minister of the Interior.

Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if

there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall, in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.
